Church Anniversary

Special Request
Any special offerings

Tithes and Public Offering

For church general expenses (salaries, missions, utilities, etc.) It covers the church's budget. This offering is collected at the front of the church in the cloth bags.

Benevolence

Used in acts of kindness and for emergency aid. Money for benevolence offering should be placed in the gold trays made available by ushers at the end of each row as you walk to the front.

J.W Arnold Scholarship

Fund - Funds earmarked for higher education scholarships for member students. Donations accepted on any particular Sunday, but the fourth Sunday is J.W. Arnold Scholarship Sunday.

Debt Relief (Church Bus)

Originally, created to pay off Family Life Center Mortgage. Now it is used to pay off any current church indebtedness. Members are asked to pay a minimum of \$15.00 on the 2nd Sunday of each month. This is above your regular givings.

Capital Campaign

Our Lifestyle Stewardship Capital Campaign is a financial capital campaign, in which God's people at Andrews Chapel United Methodist Church are asked to make a three year financial commitment beyond their regular giving. The funds raised in this campaign will be used to build a new multipurpose fellowship building.

Lord's Hour

Funds are used to address expenses associated with church facility maintenance.
